Shoroh kablukov, kare i ubka-mini,
Ty zaputalsya vo mne, kak muha v pautine.
Na chasah uzhe domoy, kluchi zvenyat v karmane,
Ty vo mne, a ya v tebe, kak opiy v narkomane.
Ty prosil menya zvonit' - sem' tcifr, dve monety.
Ya takaya sladkaya, kak sladkie konfety,
Na chasah uzhe nol'-nol' i ty v moem kapkane,
Ty vo mne, a ya v tebe, kak opiy v narkomane-mani.

Ubegay, Shuga-Shuga!

Ubegay, Shuga-Shuga!

Trotuary i ogni plyvut pered glazami,
Ty iskal menya, no zrya - ya rybka v okeane.
Nakrutila, navila i snova guby v krasnom
Nezametno poplyla, ty zval menya naprasno.
Shoroh-shoroh kablukov, kare i ubka-mini,
Ty zaputalsya vo mne, kak muha v pautine.
Na chasah uzhe domoy, kluchi zvenyat v karmane,
Ty vo mne, a ya v tebe, kak opiy v narkomane-mani.
