### Transliteration

Ya smotrela v okno mashiny,  
Vsyo krasivo skripeli shiny.  
Chyornye divany ostavlyali sledy  
Ot kokaina, ehto tak naivno.

Ruki na rule i pedal' na skorosti  
Vyzhimayu do upora s chuvstvom gordosti.  
Nichego ne strashno, proletayu mimo  
Takaya kartina, skorost'.

Ya xochu ukryt'sya, slit'sya  
I begu ot togo, chto mne snitsya.  
Ne slyshno ty, mechty, mosty, lyubov'.  
Porochno, suka, znat' by tochno.

Ya xotela lyubov' po-novomu  
Myagkomu, chistomu, skromnomu.  
Ty smotrish' na menya po-chernomu  
Svyazi oborvanyâ€|

Vot takaya lyubov'â€|  
Vot takaya lyubov'â€|  
Vot takaya...

Ty na menya smotrel, kak na dostupnyuyu  
Lyogkuyu, glupuyu, mutnuyu.  
No ne tak ehto bylo, kak ty dumal,  
Podstavlyaya k golove svoej dulo...

Zhizn', kotoruyu ya ne xotela  
Zastavlyalo lish' telo,

Emu nado, nado, ono nenasytno.  
Mne xvatilo s izbytkom, ya dobita.

Znayu, chto budet bol'no i dolgo  
Ty mal'chik s xarakterom dolga  
Vdox, vydox, chyortova lyubov',  
Vdox, vydox, puzyr'ki kisloroda v krov'.  
Suka, nena vizhu sebya za ehto,  
Tayu kak vo rtu sigareta  
Ehto pryot po polnoj programme,  
Podrugi govoryat, chto uspokoit origami...

Vot takaya lyubov'â€¦  
Vot takaya lyubov'â€¦  
Vot takaya...
