i should be half a mile from here

i will go anywhere she goes  
shoulder the bags of a previous lover  
i will go anywhere she goes  
sleep on the pillow that reeks  
of another

a will of mine to be impressive  
i'm an amorous man

i will go anywhere she goes  
travel whenever, whatever the distance

the court deemed me to be offensive  
i'm an ominous man

once love is unanimous  
no order demands

i should be half a mile from here

the court deemed me to be obsessive  
i'm the ominous man  
jury reject the alibi's seemingly water-  
tight  
for the ominous man

i am the ominous man
