Living life without a care
No trouble I could even spare
And I know, tonight's gonna be full of sins
I'm like - "Let 'em in"

I think I found my piece of paradise
Cause this life I'm living, feeling mighty nice
Playing the game, the game I always win
Tonight's gonna be full of mistakes
Let 'em in

Then we say

Run it again, but slow it down
Cause all this fun I want to keep it around
And I don't know, when it's gonna end
One things for sure, I'd do it all over again

[GUITAR SOLO]

Run it again, but slow it down
Cause all this fun I want to keep it around
And I don't know, when it's gonna end
One things for sure, I'd do it all over again
