

## Rev Theory "Far From Over"

Visit "[Far From Over](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Wait, there was a brighter day  
Where I could view the world  
Without the sorrows that I've known  
(What if I could feel?)

Now it's a different place  
Memories fade away without a trace  
But there's a shadow  
A shadow I can feel

My eyes are closing softly  
(I never wanted to be)  
Inside these walls I fade away  
(I never wanted to be)  
Still holding on 'cause this is

Far from over  
I won't say goodnight  
My heart's grown colder  
Waiting for the sun to rise again

Crawling closer  
So save your kiss goodbye  
It's far from over  
I won't fear anymore

Wait, I know it's not too late  
Even though the innocence is scarred  
There's still tomorrow  
(What if I could feel?)

I could just escape  
Close my eyes and dream about  
A sentimental vision  
A vision I could feel

This time I won't go softly  
(I never wanted to be)  
Refuse to simply fade away  
(I never wanted to be)  
Still holding on 'cause this is

Far from over  
I won't say goodnight  
My heart's grown colder  
Waiting for the sun to rise again

Crawling closer  
So save your kiss goodbye  
It's far from over  
I won't fear anymore

What if I could feel?  
(What if I could feel?)  
What if I could feel?  
(What if I could feel?)  
Again?

It's far from over  
And I am crawling closer

Far from over  
I won't say goodnight  
My heart's grown colder  
Waiting for my sun to rise again

Crawling closer  
So save your kiss goodbye  
It's far from over  
I won't fear anymore

Far from over, far from over  
(Waiting for the sun)  
Far from over  
I won't fear anymore
