Hea
Hey pretty baby
Hope you can hear me
Trying to tell you
I wanna be with you
For life
For life

Hey pretty baby
So perfect for me
I want you to know that
Gonna be in this
For life
For life

I mean this thing for life
All I wanna do is
Fulfill your childhood dreams
And is like sweeter than anything
You could wish for

Hey pretty baby
Hope you can hear me
Trying to tell you
Wanna be with you
For life
Wanna be with you babe
Gonna be with you babe
For life

Hey pretty baby
So perfect for me
I want you to know that
Gonna be in this
For life
For life

I mean this thing forever
You are my future
Companion
For life

Something very deep inside of me
Is calling for this, this union of the spirit and the mind

Hey pretty baby
Hope you can hear me
Trying to tell you
Wanna be with you
For life
Wanna be with you babe
Gonna be with you babe
For the rest of your life

Hey pretty baby
So perfect for me
I want you to know that
Gonna be in this
For life
For life
