Amanda Ghost (Goesine)

"That's My Blood on the Line"

Can I count you as my friend,
The way your loyalty can bend.
One day it's light and then it's black,
That heavy pressure on my back.

I don't know how to read the sign,
Lord I must be blind,

But, that's my blood on the line.

That's my blood on the line.

That's my blood on the line.

I don't know how to shut my mouth,
No other way to let it out.

I have a voice that won't be heard,
An empty cage without a bird.

I don't know how I missed the sign,
Lord I must be blind,

But, that's my blood on the line.

That's my blood on the line.

(BRIDGE)

Oh, I'm holdin' on to something,
More than words and magazines.

I know I can't lose sight of the one thing
That keeps you lovin' me.

A way to getting my dream.

I don't know how to make amends.

I don't know how this story ends.

And all the words that you don't hear.

Will rise and deafen in your ears.

I don't understand the sign,

But, Lord I know I'm not blind,

And that's my blood on the line.

That's my blood on the line.

That's my blood on the line.

That's my blood on the line.
