Endless days and empty nights
Feel the darkness crawl through my mind
Out of reach but still calling
I can't get to you
Feel the emptiness in my heart
Life's takin' me back to the start
There's no power no glory
I'm just missin' you

She was my pleasure and my pain
She was my shelter from the rain
Searchin' for answers where it went wrong
And now she's gone

It's my one mistake
Its my living nightmare while i'm awake
There's no escape
She's everything i've ever known
The only thing that i could never change
She's the one that got away

Tainted memories follow me
No redemption no remedies
Just the truth that's plain to see
I can't turn back now

She was my pleasure and my pain
She was my shelter from the rain
Searchin' for answers where it went wrong
And now she's gone

It's my one mistake
Its my living nightmare while i'm awake
There's no escape
She's everything i've ever known
The only thing that I could never change
She's the one that got away

Callin' me, hauntin' me
Never ending, it's breakin' me
Fell it burnin', inside of me

Yeah

It's my one mistake
Its my living nightmare while i'm awake
There's no escape
She's everything I've ever known
The only thing that I could never change
It's my one mistake
Its my living nightmare while i'm awake
There's no escape
She's everything I've ever known
The only thing that I could never change
She's the one that got away
