Goin through the motions  
Stuckinside a silent world  
Tryin to bridge a distance  
Between where we are and where we were  
I can see were fading  
But we can't go back and we canat go on  
Youre still the one that i want

So give me one good reason  
I will walk away  
Make my heart stop beating  
And i'll forget you  
Convince me that it's over  
And i will tell you goodbye  
So give me one good reason  
And i'll be out of your life

You say were having problems  
Wll everbody does sometimes  
You say i never listen and i'm always gone  
But you're always on my mind  
You can list a million things and how they all went  
wrong  
Youre still the only one that i want

So give me one good reason  
I will walk away  
Make my heart stop beating  
And i'll forget you  
Convince me that it's over  
And i will tell you goodbye  
So give me one good reason  
And i'll be out of your life

Tell me that i'm not the one you love  
Tell me i was never good enough  
I'll give up this fight  
I can feel it when i look at you  
Baby i know you feel it too  
I see it in your eyes  
Just one good reson

Stop believing

Give me one good reason  
I will walk away  
Make my heart stop beating  
And i'll forget you  
Convince me that it's over  
And i will tell you goodbye  
So give me one good reason  
And i'll be out of your life  
Give me one good reason  
I will walk away  
Make my heart stop beating  
And i'll forget you  
Convince me that it's over  
And i will tell you goodbye  
So give me one good reason  
And i'll be out of your life  
I'll be out of your life
