"Goodbye"

So, is it lonely where you are?
'Cause nowhere else could be that far

So you're
Sittin in the bathroom,
Sittin in the bathroom
All the time
And you say to yourself:
"It's gonna be all right."
Sittin in the bathroom,
Sittin in the bathroom
Time goes by
And you hallucinate
And dream of summertime
- gone by

You close your eyes and start to sway
As all your problems drift away

So you're
Sittin in the bathroom,
Sittin in the bathroom
All the time
And you say to yourself:
"It's gonna be all right."
Sittin in the bathroom,
Sittin in the bathroom
Time goes by
And you hallucinate
And dream of summertime
- gone by

No, you won't
No! You won't cry

You are so cold, my
Personal goldmine
YOU!
And I dig, and I dig
But I just can not get
Inside you

Bother
And take me away
To where I
Can't go and can't stay
Break me
Or break me into
Waste me
Before I'll waste you
