[Verse 1: Rob O]

I put feelings aside I know I am  
Hesitation wasn't of the plan  
See the R to the O B, O the God cipher  
Controversial rhyme writer who rhyme tighter  
Who shine brighter make moves and manipulate  
Educate vocabulary and articulate  
Writing shit at will while can't relate  
Instead of rushing make ya wack ass wait  
Robodeno enormous lyrical with endurance  
Coming with the slick performance  
Now check the chorus  
Unpredictable still so y'all wack niggaz chill  
I bubble with the underground mass appeal  
Constantly ya know the God be beatin it up see  
We got it through out new york chaotic  
Wild style retarded movements like robotic  
Coming with the press that moves pride of  
Wonderlust

Wonderlust and ya don't stop  
For all my niggaz in the cut yeah yeah  
To all my people I trust yeah wonderlust  
Yeah yeah ya don't stop  
For all my niggaz in the cut  
Uh wonderlust

[Verse 2: Rob O]

All these beats with my rhymes attached  
Form a new creation that y'all catch  
But check it I won't sweat it  
Give ya corny ass credit  
The God gettin athletic I am copacetic  
Unpredictable supreme factor super spectacular  
Sparklin like crystal with this style

Wow ya average attempts is minimal  
See adrenaline pumps through the heart and  
Most chumps when Rob O  
Time and follow through presentation  
Writing rhymes like ya equation  
From punctuation the trumpcation  
I keep it fly nigga face it  
Now quote this conversation  
Dope rap component topple many opponents  
Solo microphonist yo who's next to hold this  
Robo o yes yes y'all phenomenal next plateau  
Unsur mountable

Now rappers ask yourself same question  
Why I am dope in this profession  
Is because I don't front or pretend yo  
Or is it because I am that nigga robodendo  
The captain of the platinum voice of top choice  
From Manhattan over Japan and all points  
Magnificent like contrary all the hype  
Plain and simple it's time to grab the mic it's on  
Verses paragraph like correspond like the Qu'ran  
You witnessing the discipline like Islam  
Steadily in aggressive excel like I expected  
Lyrically you're not impressive  
Guess who's next it's Rob O east coast uptown
