"Hollow"

Living like a dead man walkin'
Voices in my head keep talking too
Everything's a paler shade of you
Nothing reaches me
Driftin' on an empty highway
Thought I saw you passing my way
Days are long and lonely without you

And i'm breathless
Feeling reckless
Like i just cant stop and i dont want to
Be protected
Cause i'm nothing here on my own
Yeah you know i'm gonna
Follow where ever you go
Without you the world just feels so hollow

Surrounded by the empty spaces
I remember all the places you took but i'm fading into
black
I want you to take me back
Crashing through a blank horizon
The more i close my eyes the more its true
Nothings been the same cause i cant live this life
without you

And i'm breathless
Feeling reckless
Like i just cant stop and i dont want to

Be protected
Cause i'm nothing here on my own
Yeah you know i'm gonna
Follow where ever you go
Without you the world just feels so hollow

I was on the outside
Looking in the nowhere to hide
Runnin fast to nowhere
Lost with nothing left inside
Nothin left inside

And i'm breathless
Feeling reckless
Like i just cant stop and i dont want to
Be protected
Cause i'm nothing here on my own
Yeah you know i'm feelin
Breathless, breathless
Like i just cant stop and i dont want to
Be protected
Cause i'm nothing here on my own
Yeah you know i'm gonna
Follow where ever you go
Without you the world just feels so hollow
Without you the world just feels so hollow
