We're just two people  
Riding in circle  
That's spinning around  
Just everyday people  
Searching for something  
We've Already Found

And I'm just a guy  
Who's in love with a girl  
Not in front of me  
Now you're so far away  
And I need you right here in my arms

Baby just run  
Take a bus, Take a Plane  
Take a train  
Baby just run  
Run as fast as you can  
Girl you'll find your way back  
'Cause no matter wherever you are  
There's no place on this earth that's too far,  
Run

We're just two people  
Wishing that we were together tonight  
Just everyday people  
Trying to make sense of this puzzle called life

And I'm just a guy  
Who's in love with a girl  
Not in front of me

Now you're so far away  
And I need you right here in my arms

So baby just run  
Take a bus, Take a plane  
Take a train  
Baby just run  
Run as fast as you can  
Girl you'll find your way back  
'Cause no matter wherever you are

There's no place on this earth that's so far,  
Run

Sooner or later it's over  
Passing you by and it's gone  
There's Not enough time left to wonder  
If you know where you belong

Take a bus, Take a plane, Take a train  
So Baby just Run  
Take a bus, Take A plane, Take a train

Baby Just Run  
Run as fast as you can  
Girl you'll find your way back  
'Cause no matter wherever you are  
There's no place on this earth that's so far,  
Run
