For so long I was so weak
Couldn't let anyone inside
When I was down on my beliefs
Is when I fell into your eyes
You changed the way I think
My head was lost right out in space
When my soul began to sink
You put a smile back on my face

[Chorus:]

Now I'm finally getting over
You turned my world around
You have me the strength I found
Now I've learned to take the bad things
Turn 'em into something good
So I hope you understand
That you made me who I am

Everyday there's a new struggle
With every unexpected turn
You take me away from trouble
And stop me from getting burned

[Chorus:]

Now I'm finally getting over
You turned my world around
You have me the strength I found
Now I've learned to take the bad things
Turn 'em into something good
So I hope you understand
That you made me who I am

I was lost
How do I thank you
For making me who I am
You made me, you made me, you made me,
you made me
You made me who I am

[Chorus:]

Now I'm finally getting over

You turned my world around
You have me the strength I found
Now I've learned to take the bad things
Turn 'em into something good
So I hope you understand
That you made me who I am
