

Tenshi no you na hohoemi
Kimi wo omoidaseba mune ga kurushikute
Kiete nakunarisou da
Amai shuu kuriimu kimi wa shuupuriimu
Getsumen no buranko wa yureru
Yume no naka de bokura te wo tsunaide
Tondeta
Me ga samete boku wa naita
Eien ni ikirareru darou ka
Eien ni kimi no tame ni...
Baby baby kimi wo dakishimete itai
Nanimo ka mo ga kagayaite te wo futte
Baby baby dakishimete kure
Kakegae no nai
Itoshii hito yo

You don't know how many times I missed out could hold you.
You don't know how many times I missed out could mold you.
If you someone could chase me as much as cherish you...

Submitter's comments:Â

Very famous punk song in Japan done by Going Steady. It has been covered by the succeeding band after this group broke up Ging Nang Boyz and Shinobu.
