It Started so weird...
Just For Me...
The Cost Of Passion...
Black!
Is My Soul!

Don't come to me, don't come...

Save your breath there's nothing to listen to
I've had enough just by seeing you
Your time has come, the ending has begun
Now it's your lies you can't see through...
In you...

Through the sadness you will find...
A part of me is you...
Now make it go!
A part of me is you...
It breaks me!

Ruling my mind...
It's ruling my mind and sharpens my silence...
Black!
Is my soul!

My hope is grey, you see a shade of me
My strength is gone so stop hurting me
Don't try to find what's been left of me
Now chaos rules my every move
Just bleed... For me... For me...

Through the sadness you will find...
A part of me is you...
Now make it go!
A part of me is you...
It breaks me!

Ruling my mind...
It's ruling my mind and sharpens my silence...
It leads me to the darkest place...
Your face is killing me... (x2)

I can't deny...
My demons inside...
I can't explain...
Why am I black?
