I'm up here on my own again,  
I'm always on my own  
They don't know anything at all,  
they see just what they want  
Can't they see I'm not really here?  
I'm back there with you.

Flying away,  
wish I could say you would be there tomorrow and  
always  
Just have to go,  
wish I could know you would always remember me now  
and always

Turning my face away again,  
I'm always turned away  
Wanting someone to talk it out,  
without you always

Flying away,  
Wish I could say you would be there tomorrow and  
always  
Just have to go,  
Wish I could know you would always remember me now  
and always  
Always

Flying away,  
Wish I could say you would be there tomorrow and  
always  
Just have to go,  
Wish I could know you would always remember me now  
and always

Flying away,  
Wish I could say you would be there tomorrow and  
always  
Just have to go,  
Wish I could know you would always remember me now  
and always  
Always

Always  
Always
