Sometimes I've been afraid to say the words  
Sometimes I've been willing to lie  
Sometimes I've been ready to tell you what you want to  
hear and  
Sometimes I've been willing to lie  
Sometimes you've been so afraid to see what I really  
need  
What I really need

I don't care anymore  
say what you wanna say  
I'll still say goodbye  
I don't care anymore  
can't give another day  
It's too late

Sometimes you need more than too much of me  
Sometimes you give nothing back  
What did you think  
I would just hang around and watch you take  
Sometimes you give nothing at all  
Sometimes I've been so afraid to see what I really need  
What I really need

I don't care anymore  
Say what you wanna say  
I'll still say goodbye  
I don't care anymore  
I can't give another day  
It's too late

I don't care anymore  
I don't care anymore  
I don't care anymore  
Say what you wanna say  
I'll still say goodbye  
I don't care anymore  
Can't give another day  
It's too late
