I woke up to see your face again,
I woke up to see,
you had spent the night again with me.
I never thought we'd be like this again,
never thought we'd be,
then you came back to me.

And now I know,
I should have never let you go,
And now I know,
I have always loved you
And you are so much,
more than I deserve.
I want you to know,
that now I know.

After all this time you've proolly felt,
safer on your own.
But I was never,
better off alone.
You probably felt like I'd
forgotten you,
Probably thought that I,
couldn't see,
you out of the corner of my eye.

And now I know,
I should have never let you go
And now I know,
I've always loved you
And you are so much,
more than I deserve
I want you to know,
that now I know.

I thought that i knew,
what you wouldn't do.
I thought that I knew,
everything and more.

And now I know,

I should have never let you go
And now I know,
I've always loved you
And you are so much,
more than I deserve
I want you to know,
that now I know. (x2)
