Out Out Damn Spot

John's conscience would return to him in time

John lived a lie

A lie that started out white and benign

If you wanna know the truth about my life

It's a mess it's a mess it's a mess it's a mess

If you wanna know the truth about my life

I confess I confess I confess I confess

If you wanna know the truth about my life it's in
disarray

I wish you met me earlier than today

John checked his hat, his coat, his mind,

And somehow now the ticket stub he cannot find

John only dabbled, he babbled, and somewhat
unraveled.

He never really looked me in the eye

If you wanna know the truth about my life

It's a sham it's a sham it's a sham it's a sham

If you wanna know the truth about my life

It's a sham it's a sham it's a sham

If you wanna know the truth about the truth

It's a scam it's a scam it's scam it's a scam

I wish you met me earlier

when I was outside and I was feeding the pigeons

They were flying around, it was really pretty outside

Where did my friends go

It seemed some nights I had so many

Where did my ends go?

It seems I used to make them meet but now I'm so
incomplete

When the snow turned to sleet

If you wanna know the truth about my life

It's a mess it's a mess it's a mess it's a mess

If you wanna know the truth about my life

It's a mess it's a mess it's a mess

If you wanna know the truth about my life

I confess I confess I confess I confess
If you wanna know the truth about my life
it's a sham it's a sham it's a sham
If you wanna know the truth about my life
it's a scam it's a scam it's a scam it's a scam
If you wanna know the truth about my life
It's a wreck it's a wreck it's a wreck
If you wanna know the truth about my life
I'm in check I'm in check I'm in check I'm in check
Where did my friends go
Where did my friends go
Where did my friends go
Where did my friends go
Where did my friends go
Where did my friends go
