Oh
Can you feel me?
Oh
Like I feel you?

Oh
Can you kill me?
Oh
Like I kill you

Lollipops, gum-drops
Embrace the sweet hard fear
Lollipops, gum-drops
The shit all stops here

Mmm
Lick it up
Mmm
Show some love
Mmm
Lick it up
Mmm
Come on, give it up

Lollipops, gum-drops
Sweet and hard, suck me up
Candy store material, for real though
Taste me, waste me
Erase me and do it again
You're my new fake best friend
Sweetness to no end
Sweetness to no end

Oh
Can you feel me?
Oh
Like I feel you?

Lollipops, gum-drops
Sweet and hard, suck me up
Candy store material, for real though

Taste me, waste me
Erase me and do it again
You're my new fake best friend
Sweetness to no end
Sweetness to no end

Oh
Can you feel me?
Oh
Like I feel you?
Oh
Can you taste me?
Like I taste you
