Yes my baby left me never said a word

Was it something I done something that he heard

My baby left me yeah he left me my baby even left me
never said a word

Lord I'm standin' at my window wring my hands and cry

I hate to lose that man hate to say goodbye

You know he left me yeah he left me my baby even left
me never said a word

[guitar]

Maybe one of these mornings Lord it won't be long

You'll look for me honey but your baby will done gone

You know you left yeah you left my baby even left me
never said a word

Lord I'm standin' at my window wring my hands and
moan

All I know is that all my love is gone

My baby left me yeah he left me my baby even left me
never said a word

Yeah my baby left me never said a word
