Wheel me out  
Wheel me out  
Wheel me out  
Wheel me out

I'm lonely on thes wheels  
I'm really rude to you  
I'm the former scientist, now on wheels

Then I was discouraged by you  
You were who'd never push the wheels  
You did it to him and I'm next

Then I was discouraged by you  
Then I was discouraged by you  
You did it to him and I'm next  
And I'm next, you, you did, you did it

Then I was discouraged by you  
I am really into mood today  
Then I was discouraged by you  
Discouraged by you, you never pushed the wheels

You did it to him  
You did it to him  
You did it to him  
And I'm next  
Now I'm next

When I'm next  
And I'm next  
And I'm next  
And I'm next  
And I'm next

Wheel me out, wheel me out  
Wheel me out, wheel me out  
Wheel me out, wheel me out  
Wheel me out, wheel me out

Out, out

Out, out  
Out, out  
Out, out

Wheel me out, wheel me out  
Wheel me out, wheel me out  
Wheel me out, wheel me out  
Wheel me out
