a man is love
how do i no
he came and walked with me
and told me so
and the song he sang
then i new
a man is in love with you
a man is in love
how did i hear
i heared him talk to much
whenever you near
he wispered you r name
and his eyes were closed
a man is in love
he knows
a man is in love
how did i guess
figuered it
while he was
watching you dress
hed give you his heart
if you will agree
a man is in love
and hes me
