(Bob Dylan)

Close your eyes  
shut the door  
You don't have to worry anymore  
I'll be your baby tonight

Dim the lights  
roll down the shades  
You don't have to be afraid  
I'll be your baby tonight

Oh that mocking bird is gonna sail away, and we're  
gonna forget it  
the big bad moon is gonna shine like a spoon, we're  
gonna let it  
you won't regret it  
Kick your shoes off, do not fear  
bring your bottle over here  
I'll be your baby tonight

Oh that mocking bird is gonna sail away, and we're  
gonna forget it  
the big bad moon is gonna shine like a spoon, we're  
gonna let it  
you won't regret it  
Kick your shoes off, do not fear  
bring your bottle over here  
Because I'll be your baby tonight
