Mother Cluny
rock me in your womb
Mother Cluny
rock me in your womb
Take the fear
and pain I feel
Turn 'em into
tears that heal
Mother Cluny
rock me in your womb

Mother Cluny
suckle me at your breast
Mother Cluny
suckle me at your breast
Tend the seed
that love has sown
In the temple of my
flesh and bone
Mother Cluny
suckle me at your breast

Mother Cluny
hold me in your fire
Mother Cluny
hold me in your fire
That I may shed
this dead old skin
That I may find
the fire within
Mother Cluny
hold me in your fire

Mother Cluny
clothe and send me forth
Mother Cluny
clothe and send me forth
To be present
at the birth
Of the new heaven
of the new Earth

Mother Cluny
clothe and send me...
clothe and send me forth
