We're sailing on a strange boat  
heading for a strange shore  
We're sailing on a strange boat  
heading for a strange shore  
Carrying the strangest cargo  
that was ever hauled aboard

We're sailing on a strange sea  
blown by a strange wind  
We're sailing on a strange sea  
blown by a strange wind  
Carrying the strangest crew  
that ever sinned

We're riding in a strange car  
we're followin' a strange star  
We're climbing on the strangest ladder  
that was ever there to climb

We're living in a strange time  
working for a strange goal  
We're living in a strange time  
working for a strange goal  
We're turning flesh and body  
into soul
