Come with me  
on a journey beneath the skin.

Come with me  
on a journey under the skin.

We'll look together  
for the Pan within.

Close your eyes,  
breathe slow and we'll begin.

Close your eyes,  
breathe slow and we will begin  
to look together  
for the Pan within,  
within.

Swing your hips,  
loose your head and let it spin.

â€¦

And we will look together  
for the Pan within.

Close your eyes,  
breathe slow, we'll begin.

Close your eyes,  
breathe slow and we will begin  
to look together  
for the Pan within.

Put your face in my window,  
breathe a night full of treasure.

The wind is delicious,  
sweet and wild with the promise of pleasure.

The stars are alive  
and nights like these  
were born to be

sanctified by you and me,  
lovers, thieves, fools and pretenders,  
and all we gotta do  
    |  
    |  
    |  
All we gotta do is surrender!  
All we gotta do is surrender, surrender, surrender!

Come with me  
on a journey under the skin.

    |  
And we'll look together  
for the Pan within.

Close your eyes.  
    |  
    |  
breathe slow, we'll begin, | | | | |
