I've always had desires for Glen's mom - 450 pounds  
of creator packed cellulite  
All that pussy for my cock's delight

Every time she bends over, I want to cram my dick  
Into her dirty fuck bucket of an asshole  
I can smell the funk ooze from her pussy

When Glen was M.I.A, I figured that I would pay  
A visit to his chow-bearing slut of a mother  
Wishing and praying that I could fuck her  
I would fuck her  
She opened the door - looking like a beast on steroids  
So I ripped her pants off and punched her in the  
forehead

Her gunt fat was busting out of her crotchless  
panties!!!

Fucking fatty tumors and cock smacking her dimple  
infested asshole  
And her hreasy pussy smelt like dead animals

I wasted no time and let my dick get lost in her onion-  
reeking fat rolls  
Her ass crust is a treat that melts in your mouth  
Not in your hand  
Prepare for Anal Excavation  
Her cavity was stretched from warped  
Shit had accumulated from parts she couldn't reach  
I worked her pussy till she was cumming

I fucked her shit hole until she bled from her fatty  
pores  
Then I blew my load on her soiled cunt  
I grabbed my bitch by what used to be her neck and  
tossed her on the floor

A beached whale lay  
Bleeding in front of me
