Man zane irany  
Ahle khod virany  
Ayneye degh kardeh  
Bast keh hegh hegh kardeh  
Mesle yek koohe yakh  
Michekam dar matbakh  
Az sepahe taslim  
Roozo shab bitaghvim  
Ay mardom mordam  
baz ham sar khordam  
Mordam az marde bade namardam  
Man be khod na ke be zan bad kardam

Man por az tanhay  
Vahsahat az zibai  
Dar namad pichideh  
Bi hava poosideh  
Barreye ghorbani  
Abrake barani

Ay mardom mordam  
Baz ham sar khordam  
Mordam az marde bade namardam  
Man be khod na ke be zan bad kardam

Bar tane yase sepide sofreh  
Jaya gholabe kamar misoozad  
Labe faryade mara midoozad  
Sire siram sir az moshto lagad  
Bardedarane haghire marg bood  
Bar sare bazaar ashegh mikoshan  
Khabe makhmal ra bar ham mizanan  
In kanizak ha khahare manan

Ay mardom mordam  
Baz ham sar khordam  
Mordam az marde bade namardam  
Man be khod na ke be zan bad kardam
