V1

Everyday we're happy to be
Part of our schools family
Working together we laugh and we play
Helping each other and having fun

We know the meaning of respect
If any trouble we detect
We'll sort it out right there and then
And won't let it happen again

CHRS

We're keeping our school friendly
We're keeping our school bully free
We're keeping our school friendly
A place where you'd want to be
A place for you and me

V2

Everybody wants the same thing
To live and to work in harmony
It's up to us to make things that way
By watching out for each other everyday

We know the meaning of respect
If any trouble we detect
We'll sort it out right there and then
And make sure it won't happen again
Cause we're...

CHRS

(Vamp) keeping our school... friendly, friendly x 4
