DIES IRAE

REGNA NELL' OSCURITA'

Guardians of the moonlight bringt the speel alive

through the sphere of sorrow lead my holy ride

Titans of the desert face the warlord's pride
fighters from the near lakes join the tragic night
but give us freedom once and for all
War of the ghostland take your souls

...firestorm

UNDER THE RAIN OF A THOUSAND FLAMES
WE FACE THE REAL PAIN FALLING IN VAIN
WHILE THE DARK ANGEL SCREAMS FOR VENGEANCE
IN THE DEAD SHADOW OF FALLING STARS

Silent cries of virgins touch the heart of night
raped by the demons under painful sights
Sperm and blood and terror chaos in my head
War of the ghostland take your souls
Is the law of evil triumph for the damned
but give us freedom once and for all

...firestorm

UNDER THE RAIN OF A THOUSAND FLAMES
WE FACE THE REAL PAIN FALLING IN VAIN
WHILE THE DARK ANGEL SCREAMS FOR VENGEANCE
IN THE DEAD SHADOW OF FALLING STARS

Lament of heroes reach the deep skies

...moonlight is the witness of the most tragic day for
our lands...

nothing seems possible to change the destiny of war...
fill the wide cosmos and free my pain... my pain!

UNDER THE RAIN OF A THOUSAND FLAMES
WE FACE THE REAL PAIN FALLING IN VAIN
OF FALLING STARS
IN THE DEAD SHADOW
WHILE THE DARK ANGEL SCREAMS FOR VENGEANCE
