Heroes be fretting the broken illusion
that was lost and see through
my eyes protect me
while calling this dark world of fear
and they bring hope my song is long

The sound of heroes
of innocent souls
in the shades now revealed
by a fate never told

A sea of new hope
where fear is reborn
it is where?
does he wait for the brave Harold's call?

There mans are tortured existence revealing
the whispers of lonely ghost-land by shadows and
lightning
the souls of the people of darkened
pain and mortal pain.

The sound of heroes
of innocent souls
in the shades now revealed
by a fate never told

A sea of new hope
where fear is reborn
it is where?
does he wait for the brave Harold's call?

-solo-

The sound of heroes
of innocent souls
in the shades now revealed
by a fate never told

A sea of new hope
where fear is reborn

it is where?
does he wait for the brave Harold's call?

THE CALL!
