Attention all you humans  
Who feel the overload  
A message from the underworld  
We finally broke the code  
There is no god in heaven  
There is no answer fit  
Just a phantom overlord  
Who says that this is it  
I said, "uh, yeah"  
Can ya feel the chords we play?  
Can ya hear the words we say?  
Can ya feel the chords we play?  
Can ya hear the words we say?  
There is no need to pray  
Repentance is in vain  
The message from the underworld  
Says we're all insane  
There is no wrong or right  
There is no Pentecost  
There is no guiding light  
No answer for the lost  
I said, "uh, yeah"  
Can ya feel the chords we play?  
Can ya hear the words we say?  
Can ya feel the chords we play?  
Can ya hear the words we say?
