[Khaas:] Where are we Iras?

[Iras:] Near to the doorway of hell...

[Dargor:] Can you can you see?

[Tarish:] No, but we must press on... What is that?

[Khaas:] Howling... It's coming from everywhere!

[Iras:] Naroth... Run!

Running fast, chased by the Naroth, they face the avalanche

[All together:] What's that? The ground...!

[Khaas:] It's an avalanche!!

[Tarish:] No, hold on! Help me!

[Dargor:] Are there any injured? Are you well, my friend?

[Iras:] Yes
