'Nekron's dark pages proclaimed the worst
Of all the known prophecies
Erian's book, the only possible way to stop it
Had to be found

The hour had come to answer
The angels' last desperate call

Arcana mala dicta
Arcana mortifera
Ad gloriam
Inflammatu

Sed ubi, ea sunt
Comperta in regno
Pars dole, dolere
Vulnu mortiferu

Sed ubi, ea sunt
Pars dole, dolere
Age quod, quod agis
Tenebrae infernae

Gelidus tremor
Vulnu mortiferu

Arcana mala dicta
Arcana mortifera
Gelidus tremor
