From chaos to eternity

Dead space all around
Grey shades, not one sound
Dark thoughts, half-alive
Chaos born, life denied

I'll live!
(Make me live)
I'll feel!
(Let me feel)

I'll be!
(Make me be)
Set me free

I need him, I see him
A new emotion fills me
(Save my soul)

Inside me, beyond me
Expanding to his cosmic will
(Save my world)

CHORUS:
AN ANGEL SPOKE
HIS SOUL WILL SOAR FROM RUINS OF HATE
SILENT PAIN, ENDLESS WAR
LED FROM CHAOS TO ETERNITY

MORTAL DESTINY
HIS BLEEDING RHYME OF DIVINE TRAGEDY
A NEW TRACE OF HOPE IS CARVED IN HIM
THE SECRET OF MY UNIVERSE, MY SIN

From chaos to eternity

Darkened entity
Chasing loneliness
Nowhere I can hide
One choice: truth or lie?

I'll live!
(Make me live)
I'll feel!
(Let me feel)

I'll be!
(Make me be)
Set me free

I need him, I see him
A new emotion fills me
(Save my soul)

Inside me, beyond me
Expanding to his cosmic will
(Save my world)

CHORUS:
AN ANGEL SPOKE
HIS SOUL WILL SOAR FROM RUINS OF HATE
SILENT PAIN, ENDLESS WAR
LED FROM CHAOS TO ETERNITY

MORTAL DESTINY
HIS BLEEDING RHYME OF DIVINE TRAGEDY
A NEW TRACE OF HOPE IS CARVED IN HIM
THE SECRET OF MY UNIVERSE

Solo.

CHORUS:
AN ANGEL SPOKE
HIS SOUL WILL SOAR FROM RUINS OF HATE
SILENT PAIN, ENDLESS WAR
LED FROM CHAOS TO ETERNITY

MORTAL DESTINY
HIS BLEEDING RHYME OF DIVINE TRAGEDY
A NEW TRACE OF HOPE IS CARVED IN HIM
THE SECRET OF MY UNIVERSE, MY SIN

From chaos to eternity
Set me, set me free!
