where do we go from here
now that all of the children are grown up
and how do we spend our lives
if there's no one to give us a hand

i don't wanna live here no more
i don't wanna stay
ain't gonna spend the rest of my life
quietly fading away

games people play
you take it or you leave it
hard or right
if i promise you the moon and the stars
would you believe it?
games people play in the middle of the night

where do we go from here
now that all of the children are grown up
and how do we spend our lives
if there's no one to give us a hand

i don't wanna live here no more
i don't wanna stay
ain't gonna spend the rest of my life
quietly fading away

games people play
you take it or you leave it
the things that they say
just don't make it right
if i'm telling you the truth right now
would you believe it?
games people play in the middle of the night
(guitaur solo)

games people play
you take it or you leave it
hard or right
if i promise you the moon and the stars
would you believe it?

games people play in the middle of the night

games people play
you take it or you leave it
the things that they say
just don't make it right
if i'm telling you the truth right now
do you believe it?
games people play in the middle of the night
