~VERSE 1~

Your as good as you were,
But i guess that dont aply to you.
You told me so many things,
But none of them were true [You said]
Pretending not to see the truth,
I was living blind.
Now i see that you were just Messing with my mind.
[You said]

~CHORUS~

You told me that even though we argue,
You told me, "i love you"
You said, "i adore you". [I adore you]
You told me that you'd never leave.
You said you'd always be,
Around here baby.

You told me that you don't want no drama.
I gave you my arm and you took me home to meet my
mama. [You said]
You told me that you'd never leave,
That you'd always be,
Around here baby. [You said]

~VERSE 2~

I'm sittin' here confused.
You didn't do what you said you'd do,
I gave my heart to you. [You said]
You said i was the only one you gave yourself to,
I trusted that and i believed in you. [You said]
You said you'd love me unconditionally,
But why did you lie? [You said]
I don't deserve to feel this hurt inside,
Ohh why? [Why], Why? [Why], Why!?

~CHORUS~

You told me that even though we argue,
You told me "i love you",
You said "i adore you".
You told me that you'd never leave, [You'd never leave]
That you'd always be,

Around here baby. [Around here bay-bay-baby]
