You Learn

Alanis Morissette

Album: Jagged Little Pill

Ooh, ooh, ooh...

I, recommend getting your heart trampled on to  
anyone, yeah  
I, recommend walking around naked in your living  
room, yeah

Swallow it down (what a jagged little pill)  
It feels so good (swimming in your stomach)  
Wait until the dust settles

1-You live you learn, you love you learn  
You cry you learn, you lose you learn  
You bleed you learn, you scream you learn

I, recommend biting off more than you can chew to  
anyone  
I certainly do  
I, recommend sticking your foot in your mouth at any  
time  
Feel free

Throw it down (the caution blocks you from the wind)  
Hold it up (to the rays)  
You wait and see when the smoke clears  
(repeat 1)

I, I, oh, oh

Wear it out (the way a three-year-old would do)  
Melt it down (you're gonna have to eventually, anyway)  
The fire trucks are coming up around the bend  
(rpt 1)

You grieve you learn, you choke you learn  
You laugh you learn, you choose you learn  
You pray you learn, you ask you learn
