Truth be told, simple and bold  
I think you're special  
We can roll like a team, you know what I mean  
See, I'm not gonna mess around and I'm not gonna let  
you down  
cause I do love you  
This I know, this I know -oh -ooow!

Money makes the world go 'round  
People will be people always  
Baby, what goes up comes down  
This I know, so here I go

Do you love me  
love me  
Do you love me  
love me  
Do you love me  
baby

Hit or miss, here's what it is you are that someone  
a diamond in the rough, the real stuff  
Now if goodness are to find,  
then luck is a friend of mine, cause I do love you  
This I know, this I know -oh -ooow!

Money makes the world go 'round  
People will be people always  
Baby, what goes up comes down  
This I know, so here I go

Do you love me  
love me  
Do you love me  
love me  
Do you love me  
baby

Money makes the world go 'round  
People will be people always  
Baby, what goes up comes down  
This I know, so here I go

Do you love me  
love me  
Do you love me  
love me  
Do you love me  
love me  
Do you love me  
love me  
Do you love me  
baby
