I ran away but now I'm back
And you might think that I am mad
The truth is you are right
But I am tired of being sad

My head misses your shoulder
Can't you feel it? Why, oh why?
I've been bad, but now I'm older
I'd be stupid not to try

Don't worry (da-da-da-darlin')
You will see (da-da-da-darlin')
How sweet it could be
Don't worry

I cry and cry, my eyes run dry
I'm lonely, can't you see?
I know you could, you know you should
Be sleeping next to me

When I need some air, a touch of flair
That's when I sing this song
When you feel confused, too much too soon
That's when you sing along

Don't worry (da-da-da-darlin')
You will see (da-da-da-darlin')
How sweet it could be
Don't worry
Don't worry

At your door
Let me in, cause I want more
You just sigh
And tell me that I la la la
La la la la la lie

Can't you see it's you and me?

La da da
Da da da da da
Da da da da da

La da da da da
La da da da da
Don't worry
Da da da da
La da da da
Don't worry
Da-da-da-da-da-da-darlin'
Don't worry
Darlin'
Don't worry
Da-da-da-darlin'
Don't worry
Da-da-da-darlin'

Mm
