Each time I'm alone I just think of his voice
Keep me occupied
I go out every night just to drown it in noise
I'd rather dance than hide

And I don't care who you are
But I love you
Just need someone to hold
I don't care who you are
I shall love you
'Cause it beats being alone

You think it's for real 'cause you read in a book
This is the way it is
I'm sorry to tell you you're someone I took
A fill in for what I miss

And I don't care who you are
But I love you
Just need someone to hold
I don't care who you are
I shall love you
'Cause it beats being alone

And I don't care that the truth goes far
I don't care what we are
I don't care
'Cause I don't need another scar on this worn-out heart

I don't care who you are
But I love you
Just need someone to hold
I don't care who you are
I shall love you
It's so hard to be alone
