If I was a rich man here's what I'd do
I'd buy my girl a mansion, a guest house or two.
Every body says she's crazy to love a poor boy like me
But she's living proof the best things in life are free.
Chorus
Cause she's got everything money can't buy,
pure heart of gold shining in her eyes.
Ruby red lips, a satin touch.
That girl's got a smile worth a million bucks.
And the way she loves me, my oh my,
She's got everything, everything money can't [B] buy.
Parking after midnight listening to the rain.
Driving down a back road on a dusty day.
Now she makes my old pick-up truck feel like a
limousine
It's a lifestyle like the rich and famous ain't never seen.

Chorus
Cause she's got everything money can't buy,
Pure heart of gold shining in her eyes
Ruby red lips, a satin touch
That girl's got a smile worth a million bucks.
And the way she loves me, my oh my
She's got everything, everything money can't buy.
And the way she loves me, my oh my
She's got everything money can't buy,
Pure heart of gold shining in her eyes
Ruby red lips, a satin touch.
That girl's got a smile worth a million bucks.
And the way she loves me, my oh my,
She's got everything, everything money can't buy. .
Money can't buy.
Oh money can't buy.
