Politicians, coalitions
Unionism, opposition
Activism, communism
Skepticism, new vision, down with the old tradition

Vandalism, terrorism
Ammunition, demolition
Darwinism, religion
How a lot of people making catastrophic predictions

But I'll be right here loving you
Come what may, I know this much is true
As long as this world's spinning
Like it's supposed to do
I'll be right here loving you

Computerized, organized
Downsize, enterprise
Idolize, criticize
Demoralize, sympathize, talk sweet and tellin' lies

Economics, electronics
Atomic, supersonic
Saving whales, crowded jails
America On Line, Internet, E-mail

But I'll be right here loving you
Come what may, I know this much is true
As long as this world's spinning
Like it's supposed to do
I'll be right here loving you

Ecology, technology
Energy, psychology
Evolution, revolution
Everybody's trying to find a new solution

But I'll be right here loving you
Come what may, I know this much is true
As long as this world's spinning
Like it's supposed to do
I'll be right here loving you

As long as this world's spinning
Like it's supposed to do
I'll be right here loving you
