well my baby she's been watching all my huntin videos
shes been itchin shes been beggin shes been wanting
to go

i said you gotta get up early and hunny you aint gonna
like it

cuz you cant pee and you gotta be quiet
but she was bound, she was determined
so i took her down and outfitted her
from head to toe and oh my gosh
my baby looks good in camouflage

shes all decked out, in brown and green
shes the sexiest tree ive ever seen
can't concentrate when we're sittin in my stand
shes holding my gun and im holding her hand
and even when its cold, shes still hot
my baby looks good in camouflage

when she walks through the woods all the bucks come
running
the long beard turkeys get to gobblin and struttin
shes all they talk about at the deer camp lodge
they say your baby looks good in camouflage

all decked out in brown and green
shes the sexiest tree ive ever seen
can't concentrate when we're sittin in my stand
shes holding my gun and im holding her hand
and even when its cold, shes still hot
my baby looks good in camouflage

yeah, shes all decked out in brown and green
shes the sexiest tree ive ever seen
can't concentrate when we're up in my stand
shes holding my gun and im holding her hand
and even when its cold shes smokin hot
my baby looks good in camouflage
shes all they talk about at the deer camp lodge
they say your baby's lookin good in that camouflage

oh thats right, shes smokin hot

i dont need no hand warmers
i dont need no heater
i dont need no jacket
just my baby
