(Keith's theme) The beach is a place where a man can  
feel

He's the only soul in the world that's real,  
Well I see a face coming through the haze,  
I remember him from those crazy days.

Ain't you the guy who used to set the paces  
Riding up in front of a hundred faces,  
I don't suppose you would remember me,  
But I used to follow you back in '63.

I've got a good job  
And I'm newly born.  
You should see me dressed up in my uniform.  
I work in hotel, all gilt and flash.  
Remember the gaff where the doors we smashed?

Bell Boy! I got to get running now.  
Bell Boy! Keep my lip buttoned down.  
Bell Boy! Carry this baggage out.  
Bell Boy! Always running at someone's bleedin' heel.  
You know how I feel, always running at someone's heel.

Some nights I still sleep on the beach.  
Remember when stars were in reach.  
I wander in early to work,  
Spend my day licking boots for my perks.

The beach is a place where a man can feel  
He's the only soul in the world that's real.  
Well I see a face coming through the haze,  
I remember him from those crazy days.

Ain't you the guy who used to set the paces  
Riding up in front of a hundred faces,  
I don't suppose you would remember me,  
But I used to follow you back in '63.

People often change  
But when I look in your eyes,  
You could learn a lot from

A life like mine.  
The secret to me  
Isn't flown like a flag  
I carry it behind  
This bleedin little badge  
What says...

Bell Boy!  
I gotta get running now.  
Keep my lip buttoned down.  
Carry this baggage out.  
Always running at someones heel.  
You know how I feel, always running at someones heel.
