People are suffering  
I'll say it again  
People are suffering  
I'll say it again  
People are suffering  
I'll say it again  
So remember when you're looking for trouble  
That trouble is already busy with weaker men

People are hungry  
I'll say it again  
People are hungry  
I'll say it again  
People are hungry  
I'll say it again  
So don't you abuse that body  
It'll stop without assistance my friends

The song goes on  
I'll sing again until the music enervates  
The song goes on  
The sting of pain will dull and finally fade away  
The song goes on  
Through centuries of history it reverberates  
The song goes on  
On curving comets track the music makes it way  
This song is so long  
It ends up where it begins

People are lonely  
I'll say it again  
People are lonely  
I'll say it again  
People are lonely  
I'll say it again  
So don't ever run too far from home  
You'll be alone for sure on that you can depend

People are bleeding  
I'll say it again  
People are bleeding

I'll say it again  
People are bleeding  
I'll say it again  
So put away that switchblade knife  
And tighten the knot that'll help this bloodshed end

The song goes on - the song goes on  
The song goes on - the song goes on  
This song  
Is so long  
It ends up where it begins.

People are suffering  
I'll say it again and again and again and again  
People are hungry  
I'll say it again and again and again and again  
People are lonely  
I'll say it again and again and again and again  
Again and again and again and again and again...  
I'll say it again...
