I got up this morning and did fifty-five press-ups, Dad!  
I brushed my teeth since breakfast and I threw away  
my Playboy that's bad!  
The Ferrari's in the garage and I gave it a wash just for  
you!  
But please don't make me come to the theatre; it's so  
uncool!

I'll babysit my cousin and I promise not to tease him, oh  
no  
I'll caress his little haircut and do everything to please  
him, oh  
I'll watch him like a hawk in case a fit should seize  
him  
But please don't make me come to the theatre; it's so  
grim!

Kevin's a model child  
Always as good as gold  
Kevin is never wild  
Always does as he's told
