Yesterday you were my girlfriend

If you do

My inside goes around and around in a whirlwind

There's a stone in my shoe

So I can't catch you up

My head's in a lion's mouth

Wants to eat me up

Right here today

Don't look away

I've always been true

And I still love you

So don't look away

There's a lot you can do

To get me away

You've got to stay

Don't look away

Don't look away

I once heard you say

If I ever was down you would help me

Now my head's being chewed up

You pretend that you don't see

There's a stone in my shoe

So I can't catch you up

My head's in a lion's mouth

Wants to eat me up

Right here today

Don't look away

I've always been true

And I still love you

So don't look away

There's a lot you can do

To get me away

You've got to stay

Don't look away

Don't look away

I've always been true

And I still love you

So don't look away

There's a lot you can do

To get me away

You've got to stay

Don't look away

Don't look away

Don't look away

Don't look away

Don't look away
